

Franco Lukhele

OBJECTIVE

As a dedicated third-year university student specializing in Applications Development, I am actively seeking a work-integrated learning opportunity to apply my academic knowledge, refine my technical skills, and gain hands-on experience in developing innovative software solutions. I am enthusiastic about contributing to a dynamic team while advancing my professional growth in preparation for my future career in applications development.

EXPERIENCE

FEB 2021 - DEC 2021

Packer | RTT Courier | Maitland, Cape Town

Before pursuing my final year in Applications Development, I worked as a truck packer, where I was responsible for taking items from factory stores and packing them into trucks throughout the day. This role taught me the importance of efficiency, organization, and physical endurance. I developed strong skills in time management, attention to detail, and teamwork, which have contributed to my ability to work effectively in fast-paced environments. These experiences have also strengthened my problem-solving skills and adaptability, which I now apply in my studies and technical projects.

NOV 2022 - DEC 2022

Packer, Delivery Assistant | CourierIT | Air Port

During the December holiday season, I worked as a packer and handled deliveries for courier packages. This role helped me develop strong organizational, time management, and logistical skills while ensuring accurate packing and timely deliveries. It taught me how to manage responsibilities efficiently in a fast-paced environment and reinforced the importance of attention to detail and customer satisfaction. These experiences have contributed to my ability to work effectively under pressure, skills I now apply in both my academic and professional endeavors.

JAN 2025 - CURRENT

Software Developer | Plumsystems | CPUT Bellville Campus

As an intern at Plumsystems, I contributed to the development and maintenance of software solutions, gaining hands-on experience in software engineering. I collaborated with a team of developers, enhancing my skills in coding, debugging, and software deployment. Additionally, I assisted in troubleshooting technical issues and participated in team meetings to discuss project progress and innovative solutions. This internship allowed me to apply my academic knowledge in a real-world setting while further developing my problem-solving and teamwork abilities.

EDUCATION

PeterBridge College [Jan 2015 - Dec 2020]

- National Senior Certificate

Cape peninsula University of Technology [Jan 2022 - Dec 2022]

- Higher Certificate in ICT (Suma Cum Louda)
- Currently enrolled for Diploma in Information Communication Technology under Applications Development.

SKILLS (TECHNICAL)

- **Programming Languages:** Java, Python, C#
- **Web Development:** HTML, CSS, React
- **Operating Systems:** Windows, Linux
- **Tools & Technologies:** Git, VS Code, Netbeans, IntelliJ
-

SOFT SKILLS

- Basic knowledge of data management
- Strong problem solving and critical thinking abilities
- Effective communication skills, both written and verbal
- Coding skills with HTML, CSS, and Java
- Microsoft DP-900 foundations
- Effective communication
- Teamwork and collaboration

PROJECTS

- Project LoneGod - GitHub (C# Game Dev)
- Project FallenWings - Github(C++ Game Dev)
